### PROMOTING DIGITAL DEMOCRACY

In an effort to engage the public in the County government process, Supervisor Greg Cox will ask the Board of Supervisors to explore the creation of a free online video archive of past Board meetings. This project would uphold the transparency and accountability of County government. Currently, the only free public access to this information is through written minutes available from the Clerk of the Board of Supervisors.

Tuesday, July 25 at 9:00 a.m. at the Board of Supervisors meeting, 1600 Pacific Highway, Room 310, Downtown San Diego
